Bounce

Fatty Koo

Bounce, bounce, bounce, bounce, bounce
(It?s in music)
Bounce, bounce, bounce, bounce, bounce
(Fatty Koo)
Bounce, bounce, bounce, bounce
We swing, bouncin', flippin', jumpin', jazz funkin', let?s do somethin'
Bounce, bounce, bounce, bounce
Boogie woogie to the boogaloo beat
Use your movement don't refuse it just feel the music and
Bounce, bounce, bounce, bounce
To the rhythm of the boogaloo beat
Get busy baby get it on with me
I'm ready do you wanna rock with me
Yeah shawty only if you get on me
Bounce, bounce, bounce, bounce
Boogie woogie to the boogaloo beat
What you hear is a testa to get you to move your chesta
Bounce your body like a seizure make you lose all your respa
Raise your name no hatin', we came to party and shake it
(Don't stop)
The crowd is breakin', pop lockin', swingin', rotatin'
Ooh go with it when your groovin' so sexy smooth baby
When you take me keep movin' show me how you move baby
(Dance, dance)
I'm feelin' how you move boy
(Bounce, bounce)
Le crazy what you do boy
We swing, bouncin', flippin', jumpin', jazz funkin', let?s do somethin'
Bounce, bounce, bounce, bounce
Boogie woogie to the boogaloo beat
Use your movement don't refuse it just feel the music and
Bounce, bounce, bounce, bounce
To the rhythm of the boogaloo beat
Get busy baby get it on with me
I'm ready do you wanna rock with me
Yeah shawty only if you get on me
Bounce, bounce, bounce, bounce
Boogie woogie to the boogaloo beat
People's dancing, freakin' everywhere

Try my hardest baby not to stare
Movin' groovy in your funky shoes
Daddy I love the sexy thangs you do
Show me how you boogaloo
Keep this party jumpin' all night
(All night)
Shake my fatty just the way you like
(Way you like.)
Oh baby you do it so right, I think your comin' with me tonight

We swing, bouncin', flippin', jumpin', jazz funkin', let?s do somethin'
Bounce, bounce, bounce, bounce
Boogie woogie to the boogaloo beat
Use your movement don't refuse it just feel the music and
Bounce, bounce, bounce, bounce
To the rhythm of the boogaloo beat
Get busy baby get it on with me
I'm ready do you wanna rock with me
Yeah shawty only if you get on me
Bounce, bounce, bounce, bounce
Boogie woogie to the boogaloo beat
I wanna know
(I wanna know)
Do you like the funk
(I feel the funk I, I feel the funk)
I wanna know
(I wanna know)
Do you like the funk
(I feel the funk I, I feel the funk)
Yeah I wanna know
We swing, bouncin', flippin', jumpin', jazz funkin', let?s do somethin'
Bounce, bounce, bounce, bounce
Boogie woogie to the boogaloo beat
Use your movement don't refuse it just feel the music and
Bounce, bounce, bounce, bounce
To the rhythm of the boogaloo beat
Get busy baby get it on with me
I'm ready do you wanna rock with me
Yeah shawty only if you get on me
Bounce, bounce, bounce, bounce
Boogie woogie to the boogaloo beat
I wanna know
(I wanna know)
Do you like the funk
(I feel the funk I, I feel the funk)

I wanna know
(I wanna know)
Do you like the funk
(I feel the funk I, I feel the funk)
Yeah, I wanna know
Get busy baby get it on with me
I'm ready do you wanna rock with me
Yeah shawty only if you get on me
Bounce, bounce, bounce, bounce
Boogie woogie to the boogaloo beat
Ooh, Ooh, Ooh
Yeah shawty only if you get on me
Bounce, bounce, bounce, bounce
Boogie woogie to the boogaloo beat
