

# Parade

## Garbage

Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now Oh let's bomb that factory  
That makes all the wannabes  
Let's burst all the bubbles  
That brainwash the masses As far as I can tell it doesn't matter who you are  
If you can believe there's something worth fighting for  
The color of an eye, the glory of a sudden view  
The baby in your arms, the smile he always shoots at you Believing in nothing  
Makes life so boring  
So let's pray for something  
To feel good in the morning As far as I can tell it doesn't matter who you are  
If you can believe there's something worth fighting for  
The color of an eye, the glory of a sudden view  
The baby in your arms, the smile he always shoots at you Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now Kaboom  
Get it right, get it right now  
Get it right, do it good  
Get it right now Oh doctor we're dying  
There's no use in crying  
So live for tomorrow

And do what you have toAs far as I can tell it doesn't matter who you are  
If you can believe there's something worth fighting for  
The color of an eye, the glory of a sudden view  
The baby in your arms, the smile he always shoots at youElectric  
For something  
To feel good in the morning  
In the morningIn the morning  
In the morning  
In the morning  
...
