

# All Of Me

## Johnnie Ray

All of me  
Why not take all of me  
Can't you see  
I'm no good without you  
Take my lips  
I want to lose them  
Take my arms, my legs  
Baby you know I want to lose them  
Your goodbye, brought teardrops from my eyes  
Realize, I'm no good without you  
Well you took the part  
That once was mine  
So why not, baby take it all  
Well listen to me, all of me  
You girl, come on take all of me  
Well can't you see I ain't no good without you  
Take my eyes, my lips, my nose  
Baby you know I want to lose them  
Take my arms, and my legs, and my  
Baby you know I want to lose them  
Your goodbye, brought teardrops from my eyes  
Realize, I aint no good without you  
Well baby you took the part that everyone knows once mine  
So baby doll, why don't you take it all  
Take it all
