

# Over and over Again (feat. Ariana Grande)

## Nathan Sykes

[Verse 1: Nathan Sykes]

From the way you smile  
To the way you look  
You capture me  
Unlike no other  
From the first hello  
Yeah, that's all it took  
And certainly

We had each other[Pre-Chorus: Nathan Sykes]

And I won't leave you  
Always be true

One plus one, two for life

Over and over again[Chorus: Nathan Sykes]

So don't ever think I need more  
I've got the one to live for  
No one else will do  
I'm telling you

Just put your heart in my hands

I promise it won't get broken  
We'll never forget this moment

It will stay brand new

~Cause I'll love you  
Over and over again

Over and over again[Verse 2: Ariana Grande]

From the heat of night  
To the break of day  
I'll keep you safe  
And hold you forever  
And the sparks will fly  
They will never fade

~Cause every day gets better and better[Pre-Chorus: Ariana Grande]

And I won't leave you  
Always be true

One plus one, two for life

Over and over again[Chorus: Together]

So don't ever think I need more  
I've got the one to live for  
No one else will do  
I'm telling you

Just put your heart in my hands

I promise it won't get broken

We'll never forget this moment

It will stay brand new

~Cause I'll love you

Over and over again

Over and over again[Verse 3: Nathan Sykes]

Girl when I'm with you

I lose track of time

When I'm without you

You're stuck on my mind

I'll be all you need

Until the day that I die

I'll love you

Over and over again[Bridge: Together]

So don't ever think I need more

I've got the one to live for

No one else will do

I'm telling you[Chorus: Together]

Just put your heart in my hands

I promise it won't get broken

We'll never forget this moment

It will stay brand new

~Cause I'll love you

Over and over again

Over and over again[Outro: Together]

Over and over again
