You're Going Down

Sick Puppies

Define your meanin' of war
To me it's what we do when we're bored
I feel the heat comin' off of the blacktop
And it makes me want it moreBecause I'm hyped up, outta control
If it's a fight I'm ready to go
I wouldn't put my money on the other guy
If you know what I know that I knowIt's been a long time comin'
And the tables' turned around
'Cause one of us is goin'
One of us is goin' downI'm not runnin'
It's a little different now
'Cause one of us is goin'
One of us is goin' downDefine your meanin' of fun
To me it's when we're gettin' it done
I feel the heat comin' off of the blacktop
so get ready for another oneLet's take a trip down memory lane
The words circling im my brain
You can treat this like they're all the same
But don't cry like a bitch when you feel the painIt's been a long time coming
And the tables' turned around
'Cause one of us is goin'
One of us is goin' downI'm not runnin'
It's a little different now
'Cause one of us is goin'
One of us is goin' downThis is hardly worth fightin' for
But it's the little petty shit that I can't ignore
With my fist in your face
And your face on the floorIt'll be a long time comin'
But you got the message now
'Cause I was never goin'
Yeah, you're the one that's goin' downOne of us is going down
I'm not runnin'
It's a little different now
'Cause one of us is goin'
One of us is goin' down
One of us is goin' down, down, down
