

# What Is He Like

Erik Hassle

Nah.

When I came home, you were still gone  
Where did you sleep last night? I called twenty times.

You're lying

I hear people talking

Wait, what?

You can't say it's over

I can't take it

No

What have you done?

It wouldn't be like that, they sayin'

Now it's all i'm thinking about, all day

What is the Life?

Have you spent the night there, yeah?

Tell me now, is he anything, like me? All night long, fighting on the phone

Yeah

You still fuck me over

(Oh no)

You're crying, I'm crying sayin' you want me back darling

I'm too proud for that, you know that

Don't wanna forget all about you, do what i have to do

who to whoever become im my way

no one will ask about you

know better

What have you done?

"It wouldn't be like that" you're sayin'

Now it's all i'm thinking about all day

What is he like?

Have you spent the night there, yeah?

Tell me now, is he anything like me?

So what about us?

(Oh)

Every light you cross,

Do you wanna stop to thinking about us, about me?

Oh, what have you done?

You're leaving me with no one

You're leaving me undone

And it's all I'm thing about, all day

oh, oh, oh, oh oh oh

oh oh oh, oh oh oh
