

# One And Only You

## Parokya Ni Edgar

One And Only YouIt took  
one look  
and forever laid out in front of meone smile  
then I died  
only to be revived by youthere I was  
thought I had everything figured out  
that goes to show just how much I know  
'bout the way life plays outI take one step away  
and I find myself coming back  
to you  
my one and only  
one and only younow I know  
that I know not a thing at all  
except the fact that I am yours  
and that you are mineoh  
you told me that it wouldn't be easy  
and oh  
i'm not one to complaini take one step away  
and I find myself coming back  
to you  
my one and only  
one and onlyi take one step away  
and I find myself coming back  
to you  
my one and only  
one and only you
