Let's Go Round Again

Louise

Uh huh yeahLet's go round again
Maybe we'll turn back the hands of time
Let's go round again
One More timeBaby I'm back (yeah)
And right away I had to come to you
To see if the love that we knew before
Had passed the test of time (uh huh huh)Time it changes almost everything
Sometimes I don't see the better side
Of the feelings we once sharedSo baby[Chorus]
Lets go round again
Maybe we'll turn back the hands of time
Let's go round again
One more time (woah woah woah woah)
Let's go round again
Maybe we'll turn back the hands of time
Let's go round again
One more time
One more timeNow, baby I know (yeah)
That you think I will different now
Inside of me nothing has changed
So I'm asking you againUh huh, please
No one else that could have brought me
Back
No one else could ever shake me free
Of the memory I kept within my heartSo baby[Chorus]Oh, huh huh, yeah
Oh, go round again
Oh, one more timeLet's go round again
(Let's go round again)
Maybe we'll turn back the hands of time
(One more time)
Let's go round again
One more time
(Let's go round again)
One more time
(Oh)
