

This Is It

Jim Reeves

Well, this is it, that day is here
The day I knew would come when you would leave me dear
Well, here I sit, while teardrops fall
And wonder why I care when you don't care at all
But I'm a fool that way, from a way back when
A fool who'd take you back if you'd come back again
But this is it, you're gone, you're free
You'll find another love, but this is it for me
Well, this is it, that day is here
It's no surprise and yet, I can't hold back the tears
Well, here I sit and try to guess
How such an empty room, so full of loneliness
Well, even the clock has stopped
Somehow I guess it knew, that time's run out
For me, it's over, it's all through
Yes, this is it, you're gone, you're free
You'll find another love, but this is it for me
