Astral Plane

Valerie June

Is there a light?
You have inside you
Can't touch
A looking glass
Can only show you
So much
Follow the signs
Slowly but steady
Don't rush
The day will come
When you are ready
Just thustDancing on the astral plane
On holy water cleansing rain
Floating through the stratosphere
Blind, but yet you see so clear
Is there a way?
For you to shine
Without fear
From other worldsBut you can't say
What keeps you here
Dancing on the astral plane
On holy water cleansing rain
Floating through the stratosphere
Blind, but yet you see so clear
Dancing on the astral plane
On holy water cleansing rain
Floating through the stratosphereBlind, but yet you see so clear
Blind, but yet you see
Blind, but yet you see
Blind, but yet you see
Blind, but yet you see so clearIs there a way?
For you to give it
Your all
Dreaming a dream
Of sweeter things great or small
Dancing on the astral plane
On holy water cleansing rain
Floating through the stratosphereBlind, but yet you see so clear
Dancing on the astral plane

On holy water cleansing rain
Floating through the stratosphere
Blind, but yet you see so clear
Dancing on the astral plane
On holy water cleansing rain
Floating through the stratosphereBlind, but yet you see so clear
Blind, but yet you see
Blind, but yet you see
Blind, but yet you see
Blind, but yet you see so clear
Is there a light?
You have inside you
Can touch
