

California Girl

Candy Butchers

I'll let you fall in love with me
Show you how easy it could be
California girl of your dreams
Sitting by the sea shore
Soaking up the summer breezeNever gonna fall, I'm never gonna fall
For that old trick again
Never gonna fall, I'm never gonna fall
For that old trick againI can't believe I even came
Don't even know your name
Boy you know that ain't my scene
But you gotta play by the rules
If you ever gonna win the gameNever gonna fall, I'm never gonna fall
For that old trick again
Never gonna fall, I'm never gonna fall
For that old trick againOh, yes my words were true
True to the moment and true to you
But fear will help you make your move
Sweet kisses in the summer taste soft like honeydewNever gonna fall, I'm never gonna fall
For that old trick again
Never gonna fall, I'm never gonna fall
For that old trick againNever gonna fall, I'm never gonna fall
For that old trick again
Never gonna fall, I'm never gonna fall
For that old trick againNever gonna fall, I'm never gonna fall
For that old trick again
Never gonna fall, I'm never gonna fall
For that old trick again
