Slaughtered Like Swine

Oceano

Centuries wasted wallowing in our own defecation, as entity over-watches silent yet in disgust, evoking thirst for destruction. A divine intervention is underway to cleanse our burden of mistakes. Clouds transform into a mammoth storm as the skies blacken with ash. Downpours of sulfur nauseate and fill your chest. Overwhelming showers of flames cat through the flesh. Screaming like suffocated swine this is our punishment. Only few remain, for he's unsympathetic within his camaign. Screaming like suffocated swine this is our punishment. Remnants of scalded skin permeate an unpleasant stench, serving as a reminder his hands are only temporarily cleansed. Casualties are taken to stimulate change
