Liftoff (Liftoff)I don't want to spend the rest of my life
Looking at the barrel of an Armalite
I don't want to spend the rest of my days
Keeping out of trouble like the soldiers sayI don't want to spend my time in Hell
Looking at the walls of a prison cell
I don't ever wanna play the part
Of a statistic on a government chart[CHORUS:]
There has to be an invisible sun (oh oh)
It gives its heat to everyone
It has to be an invisible sun (oh oh)
That gives us hope when the whole day's doneIt's dark all day and it glows all night --
Factory smoke and acetylene light
I face the day with my head caved in
Looking like something that the cat brought in[CHORUS:]
Has to be an invisible sun (oh oh)
It gives its heat to everyone
It has to be an invisible sun (oh oh)
That gives us hope when the whole day's doneThere has to be an invisible sun (yeah, yeah, yeah)
It gives its heat to everyone
It has to be an invisible sun (oh oh)
That gives us hope when the whole day's doneAnd they're only gonna change this place
By killing everybody in the human race
And they would kill me for the cigarette
But I don't really wanna go just yet[CHORUS:]
Has to be an invisible sun (oh oh)
It gives its heat to everyone
It has to be an invisible sun (oh oh)
That gives us hope when the whole day's done
Yeah, yeah, yeahGot to be an invisible sun (gotta gotta be)

It gives its heat to everyone (gotta be)
Has to be an invisible sun (oh oh)
(gotta gotta be)
Gives us hope when the whole day's done (yeah)Has to be an invisible sun (oh oh)
It Gives its heat to everyone
It has to be an invisible sun (oh oh)
That gives us hope when the whole day's done
