It's About The Cross

The Ball Brothers

It's not just about the manger
Where the baby lay
It's not all about the angels
Who sing for him that day
It's not just about the shepherds
Or the bright and shining star
It's not all about the wisemen
Who travelled from afarIt's about the cross
It's about my sin
It's about how Jesus
came to be born once
So that we could be born again
It's about the stone
That was rolled away
So that you and I could
have real life someday
It's about the cross
It's about the cross
It's not all about the good things
In this life I've done
Its not all about the treasures
Or the trophies that I've won
Its not about the righteousness
That I've find within
Its about His precious blood
That save me from my sinRepeat The beginning of the story
is wonderful and great
But it's the ending that can
save you and that's why we celebrate
It's about the cross
It's about my sinIt's about how
Jesus came to be born once
So that we could be born again
It's about God's love
Nailed to a treeIt's about every
drop of blood that flowed from
Him when it should have been me
It's about the stone
That was rolled away

So that you and I could have real life someday
So that you and I could have real life someday
It's about the crossIt's about the cross
