Stuck in a Moment You Can't Get Out Of

[U2](U2)

I'm not afraid
Of anything in this world
There's nothing you can throw at me
That I haven't already heardI'm just trying to find
A decent melody
A song that I can sing
In my own companyI never thought you were a fool
But darling look at you, oh no
You gotta stand up straight
Carry your own weight
These tears are going nowhere, babyYou've got to get yourself together
You've got stuck in a moment
And you can't get out of it
Don't say that later will be better
Now you're stuck in a moment
And you can't get out of itI will not forsake
The colors that you bring
The nights you filled with fireworks, hey
They left you with nothingI am still enchanted
By the light you brought to me
I listen through your ears
Through your eyes I can seeAnd you are such a fool
To worry like you do, oh no
I know it's tough
And you can never get enough
Of what you don't really need now, my, oh myYou've got to get yourself together
You've got stuck in a moment
And you can't get out of it
Oh love, look at you now
You've got yourself stuck in a moment
And you can't get out of itI was unconscious, half asleep
The water is warm 'til you discover how deep
I wasn't jumping, for me it was a fall
It's a long way down to nothing at all, yeahYou've got to get yourself together
You've got stuck in a moment
And you can't get out of it
Don't say that later will be better
Now you're stuck in a moment
And you can't get out of itAnd if the night runs over

And if the day won't last
And if your way should falter
Along the stony passAnd if the night runs over
And if the day won't last
And if your way should falter
Along this stony passIt's just a moment
This time will pass
