

# Together We Run

## Super City

Wherever you go I'll go I'll go  
Whatever you see I'll see I'll see  
Whatever we'll be we'll be  
But together we'll stay

Whatever you want I'll buy I'll buy  
Whatever you need I'll find I'll find  
But whenever it's time to say goodbye I won't let you go

You're my greatest win  
You're my bestest friend  
Love you all my heart  
Love you all my heart

Whatever you want I'll buy I'll buy  
Whatever you need I'll find I'll find  
You're ever so kind  
Be mine be mine  
And together we'll stay.

Wherever you go I'll go i'll go  
Whatever you see i'll see i'll see  
I'll always need you and you'll need me  
I can't let you go.

You're my greatest win  
You're my bestest friend  
Love you all my heart  
Love you all my heart

Even when lights go out  
Even when bad men shout  
Even when storms come through  
I'll still be there for you

Whenever you're sad don't cry don't cry  
I will be right there beside your side  
It's you and me every single time  
And together we run  
Together we run

Together we run  
Together we run

You're my greatest win  
You're my bestest friend  
Love you all my heart  
Love you all my heart
