

Naked

Avril Lavigne

I wake up in the morning, put on my face
The one that's gonna get me through another day
Doesn't really matter how I feel inside
This life is like a game sometimes But then you came around me, the walls just disappeared
Nothing to surround me and keep me from my fears
I'm unprotected, see how I've opened up, oh
You've made me trust 'Cause I've never felt like this before
I'm naked around you, does it show?
You see right through me and I can't hide
I'm naked around you, and it feels so right I'm trying to remember why I was afraid
To be myself and let the covers fall away
I guess I never had someone like you
To help me fit in my skin I've never felt like this before
I'm naked around you, does it show?
You see right through me and I can't hide
I'm naked around you, and it feels so right I'm naked, does it show?
I'm naked, oh, oh, yeah, yeah, yeah
I'm naked around you, does it show? I'm so naked around you and I can't hide
You're gonna, you're gonna see right through
(See right through me and I)
You're gonna see right through
(Naked around you) I'm so naked around you and I can't hide
You're gonna see right through, baby
