

Youth Youth Youth

Generation X

Hey, youth, youth, youth
(Youth, youth, youth)
Hey, youth, youth, youth
(Youth, youth, youth)Never wanna be an adult
Always wanna be in revoltHey, youth, youth, youth
(Youth, youth, youth)
Hey, youth, youth, youth
(Youth, youth, youth)Don't wanna spend my life
Saving up for thingsI don't wanna have
What a steady job brings
I don't want security
Don't want responsibilityI don't wanna stay at home
Not making any noise
I've always got to be out
I've always got to have a choiceI don't want security
Don't want responsibilityHey, youth, youth, youth
(Youth, youth, youth)
Hey, youth, youth, youth
(Youth, youth, youth)I don't want no uniform
And I don't want no book of rules
'Cause that's youthYouth, youth, youth
(Youth, youth, youth)
Hey, youth, youth, youth
(Youth, youth, youth)Never wanna be an adult
Always wanna be in revoltYouth, youth, youth
(Youth, youth, youth)
Hey, youth youth youth
(Youth, youth, youth)Well, I don't want no uniform
And I don't want no book of rules
'Cause that's youth[Incomprehensible]
