My Darkness

Lookbook

Alive
I saw you
Inside, yeah
My darkness
Alive
You don't sleep, you don't cry
You don't smile unless someone dies
Wanna see the horns rise up and down
Wanna creepy-crawl across your town
Wanna send a chill into the night
Wanna see the shadows come to life
I saw you
Inside, yeah
My darkness
Alive
I saw you
Inside, yeah
My darkness
Alive
You don't dream, you don't feel
You don't fear what lies underneath
Wanna see the horns rise up and down
Wanna creepy crawl across your town
Wanna send a chill into the night
Wanna see the shadows come to life
I saw you
Inside, yeah
My darkness
Alive
I saw you
Inside, yeah
My darkness
