Rainin' In My Heart

Hank Williams, Jr.

Rainin' in my heart since we've been apart
I know I was wrong darling please come on home
You got me cryin' bout to lose my mind
Don't let me cry in vain try my love just once again
[guitar]
Now honey I need your love and darling you know why
So if you just come on back home there'll be no need for me to cry
Rainin' in my heart since we've been apart
I know I was wrong darling please come on home
Rainin' in my heart since we've been apart darling please come on home
