

# Reservation for Two

## Fantine

Do you have a second to talk about it  
Made a reservation so please sit down  
I am not a painting upon your wall  
I am not a trophy for you to hold on  
CHORUS  
(You)  
For Two  
(Let's talk about it)  
It's a reservation for two  
(It's reservation for two)  
(But without you)  
Just you and me, you and me  
Two  
(You)  
For Two  
(Let's talk about it)  
It's a reservation for two  
(It's reservation for two)  
(But without you)  
Just you and me, you and me  
Always at the doorway with you trash  
Left me at a dinner with no cash  
I can only trust you to always bring me down  
Now you gonna listen to me for once  
Are you gonna fix it with one more dance  
Take another gamble now that the stakes are high  
Don't you look away when I am talking to you  
(Let's talk about it)  
For Two  
(It's a reservation for two)  
It's reservation for two  
(But without you)  
Just you and me, you and me  
You  
(Let's talk about it)  
For Two  
(It's a reservation for two)  
It's reservation for two  
(But without you)  
Just you and me, you and me  
RAP SOLO  
Made a reservation for you and me x 4  
CHORUS
