

# Poor Wandering One

Linda Ronstadt

For shame  
For shame  
For shamePoor wandering one  
Though thou hast surely strayed  
Take heart of grace, thy steps retrace  
Poor wandering onePoor wandering one  
If such poor love as mine  
Can help thee find true peace of mind  
Why, take it, it is thineTake heart, no danger lowers  
Take any heart but ours  
Take heart, fair days will shine  
Take any heart, take mineTake heart, no danger lowers  
Take any heart but ours  
Take heart, fair days will shine  
Take any heart, take minePoor wandering one  
Though thou hast surely strayed  
Take heart of grace, thy steps retrace  
Poor wandering onePoor wandering one  
Poor wandering one  
Take heart, take heartTake any heart but ours  
Take heart, take heartTake heart, no danger lowers  
Take any heart but ours  
Take heart, take heart  
Take any heart but oursTake heart
