Long, Long Day

Paul Simon

It's been a long, long day
I got some run-down shoes
Ain't got no place to stay
But any old place will be okay
It's been a long, long dayGoodnight
Goodnight
Oh my loveI sure been on this road
Done nearly fourteen years
Can't say my name's well known
You don't see my face in rolling stone
But I sure been on this roadGoodnight
Goodnight
My loveSlow motion
Half a dollar bill
Jukebox in the corner
Shooting to kill
And it's been aIt's been a long, long day
I sure could use a friend
Don't know what else to say
I hate to abuse an old cliche
But it's been a long, long day
Its been a long, long day
