

# Long, Long Day

[Paul Simon](#)

It's been a long, long day  
I got some run-down shoes  
Ain't got no place to stay  
But any old place will be okay  
It's been a long, long day Goodnight  
Goodnight  
Oh my love I sure been on this road  
Done nearly fourteen years  
Can't say my name's well known  
You don't see my face in rolling stone  
But I sure been on this road Goodnight  
Goodnight  
My love Slow motion  
Half a dollar bill  
Jukebox in the corner  
Shooting to kill  
And it's been a long, long day  
I sure could use a friend  
Don't know what else to say  
I hate to abuse an old cliché  
But it's been a long, long day  
It's been a long, long day
