If I Had My Way

Nancy Wilson

Baby, baby
You don't know how many nights I've prayed
For a man like you to come my way
If you knew the things that I've been through
To find someone like youI was lookin' for love
Givin' my love, just to be taken for granted
And thrown away
But we both played the fool a time or twoAnd If I had my way
I would turn the hands of time
Back to the time in my life
When I foolishly gave love awayAnd If I had my way
I wouldn't have waited just for you
Knowin' you'd love like you do
There'll be no regrets of yesterday
If I had my way
My way, my way, hey, yeah, yeah, yeahHoney, honey
If I knew back then what I know now
I would reckon our true love [Incomprehensible]
After givin' body, soul and tears
It up and disappearI was lookin' for love
Oh, but I'm crazy
Givin' my love, just to be taken for granted
And thrown away
But we all play the fool a time or twoIf I had my way
I would turn the hands of time
Back to the time in my life
When I foolishly gave love awayAnd If I had my way
I wouldn't have waited just for you
Knowin' you'd love like you do
There'll be no regrets of yesterdayIf I had my way
I would turn the hands of time
Back to the time in my life
When I foolishly gave love awayIf I had my way
I wouldn't have waited just for you
Knowin' you'd love like you do
There'll be no regrets of yesterday
If I had my way, my way, my way, my wayI was lookin' for love
Givin' my love, just to be taken for granted
And thrown away

But we both played the fool a time or twoIf I had my way
I would turn the hands of time
Back to the time in my life
When I foolishly gave love awayIf I had my way
I wouldn't have waited just for you
Knowin' you'd love like you do
There'll be no regrets of yesterdayIf I had my way
I would turn the hands of time
Back to the time in my life
When I foolishly gave love awayIf I had my way
I wouldn't have waited just for you
Knowin' you'd love like you do
There'll be no regrets of yesterday
If I had my way, my way, my way
Hey, yeah, yeah, yeahIf I had my way today
I'd go back and make a change
Take my love back from the one
Who have a low down, oh my GodIf I had my way today
I'd go back and make a change
Take my love back from the one
Who has a low downIf I had my way
I would turn the hands of time
Back to the time in my life
When I foolishly gave love away
