

I'm in Love With an Angel

Joe Tossini

Iâ€™m always dreaming
And never care
That my dreams
wonâ€™t come true

I keep on calling
You are never there
But Iâ€™m still in love
with you

Iâ€™m in love
With an angel
Iâ€™m dreaming
And feeling blue

Only you
My joy
Can make
my dreams come true

Be my lover
Be my friend
Be who ever
You want to be

But once in a while
Spend a little time
with me

Iâ€™m in love
With an angel
Iâ€™m dreaming
And feeling blue

Only you
My joy
Can make
my dreams come true

Iâ€™m in love

With an angel
Iâ€™m dreaming
And feeling blue

Only you
My joy
Can make
my dreams come true

Be my lover
Be my friend
Be who ever
You want to be

But once in a while
Spend a little time
with me

Iâ€™m in love
With an angel
Iâ€™m dreaming
And feeling blue

Only you
My joy
Can make
my dreams
come true
