

# That Man

## Caro Emerald

I'm in a little bit of trouble  
And I'm in real deep  
From the beginning to the end  
He was no more than a friend to meThe thought is makin' me hazy  
I think I better sit down  
'Cause like the sweetest serenade  
Bet he knows he's got it made with meTwisting round on a carousel  
This speeds' too much to stop  
One second I'm thinkin' I'm feeling the lust  
And then I feel a lotOoh, that man is like a flame  
And ooh that man plays me like a game  
My only sin is I can't win  
Ooh, I wanna love that manOoh, that man is on my list  
And ooh that man I wanna kiss  
My only sin is I can't win  
Ooh, I wanna love that manNow it's like I'm on a mission  
Headed everywhere  
And if it takes a little long  
And it feels a little wrong, who cares?My baby fits the description  
And does it easily  
A little Gable, some Astaire  
When he dances I can hardly breatheSomeone call a doctor  
Need some help to rescue me  
One second I'm thinkin' I must be lost  
And he keeps on findin' meOoh, that man is like a flame  
And ooh that man plays me like a game  
My only sin is I can't win  
Ooh, I wanna love that manOoh, that man is on my list  
And ooh that man I wanna kiss  
My only sin is I can't win
