

# Be Your Toy

## Cerebral Ballzy

Put me down  
After you have your with me  
(I wanna be your toy)  
Pick me up  
When you wanna play with me  
(I wanna be your toy)I need your touch  
to come alive  
I need your touch  
to come alive  
I need your touch  
(I wanna be your, be your, be your, be your...)  
And I'm the type  
that doesn't like goodbyesPut me down  
After you have your with me  
(I wanna be your toy)  
Pick me up  
When you wanna play with me  
(I wanna be your toy)I need your touch  
to come alive  
I need your touch  
to come alive  
I need your touch  
(I wanna be your, be your, be your, be your...)Nobody likes  
to be cast aside  
Locked in chains  
In a brutal game  
And the rules have changed  
Not to your favor
