

# Into You (feat. MAC MILLER) [Alex Ghenea Remix]

## Ariana Grande

I'm so into you, I can barely breathe  
And all I wanna do is to fall in deep  
But close ain't close enough 'til we cross the line  
So name a game to play, and I'll roll the dice, hey Oh baby, look what you started  
The temperature's rising in here  
Is this gonna happen?  
Been waiting and waiting for you to make a move  
Before I make a move So baby, come light me up and baby I'll let you on it  
A little bit dangerous, but baby, that's how I want it  
A little less conversation, and a little more touch my body  
'Cause I'm so into you, into you, into you  
Got everyone watchin' us, so baby, let's keep it secret  
A little bit scandalous, but baby, don't let them see it  
A little less conversation and a little more touch my body  
'Cause I'm so into you, into you, into you, oh yeah This could take some time, hey  
I made too many mistakes  
Better get this right, right, baby Oh baby, look what you started  
The temperature's rising in here  
Is this gonna happen?  
Been waiting and waiting for you to make a move  
Before I make a move So baby, come light me up and baby I'll let you on it  
A little bit dangerous, but baby, that's how I want it  
A little less conversation, and a little more touch my body  
'Cause I'm so into you, into you, into you  
Got everyone watchin' us, so baby, let's keep it secret  
A little bit scandalous, but baby, don't let them see it  
A little less conversation and a little more touch my body  
'Cause I'm so into you, into you, into you Tell me what you came here for  
'Cause I can't, I can't wait no more  
I'm on the edge with no control  
And I need, I need you to know  
You to know, oh So baby, come light me up and baby I'll let you on it  
A little bit dangerous, but baby, that's how I want it  
A little less conversation, and a little more touch my body  
'Cause I'm so into you, into you, into you  
Got everyone watchin' us, so baby, let's keep it secret  
A little bit scandalous, but baby, don't let them see it  
A little less conversation and a little more touch my body  
'Cause I'm so into you, into you, into you So come light me up, so come light me up my baby

A little dangerous, a little dangerous my baby  
A little less conversation and a little more touch my body  
'Cause I'm so into you, into you, into you
