# No More Night

## David Phelps

The timeless theme, Earth and Heaven will pass away
Its not a dream, God will make all things new that day
Gone is the curse from which I stumbled and fell
Evil is banished to eternal hellNo more night, no more pain
No more tears, never crying again
And praises to the great, "I AM"
We will live in the light of the risen LambSee all around, now the nations bow down to sing
The only sound is the praises to Christ, our King
Slowly the names from the book are read
I know the King, so theres no need to dreadNo more night, no more pain
No more tears, never crying again
And praises to the great, "I AM"
We will live in the light of the risen LambSee over there, theres a mansion
Oh, thats prepared just for me
Where I will live with my Savior eternallyNo more night, no more pain
No more tears, never crying again
And praises to the great, "I AM"
We will live in the light of the risen LambAll praises to the great, "I AM"
Were gonna live in the light of the risen Lamb
