

One Night Stand

Roscoe Dash

1st Verse:

It's Roscoeeeee
We had a couple of shots
And the mood is right
I keep thinking bout what I wanna do tonight
The song comes on and ya moan is tight
Somehow I got to get ya to my room tonight
Girl you turn me on you got it goin on
Check me if im wrong
For singing you this song
I just got to know what it is in vogue
Put ya number in my phone if you feeling bold
I know you gotta man but the feelings strong
Gotta room with the w lets get it on
Lets walk outside are you ready girl cuz im ready girl
To put it on you baby girl til we hot and sweaty girl
Ima take it down right before I break it down
Legs wrapped around my neck as you make them freaky sounds
You aint never had it like this before
Now she all in love but it's a love I adore

Chorus:

Babygirl this is a one night stand
I wanna leave this club
How you feeling bae?
One night stand
We should go somewhere where we can kick it bae
One night stand
We can take the elevator up to my room
One night stand
But girl its on you, girl its on you , girl its on you

2nd Verse:

Next day the phone rang its her again
Said she's feening wanna get it in
Well baby girl I'd be obliged
Yo hips and thighs gotta nigga mesmerized
Yo love is so exclusive
Round here gon b stupid
She showed up at my door
Panties hit the floor

I want you now, now, nowwww
She stuck her tongue out and went down, down, downnn
Ooooooooooh u so nasty
Girl you soaking wet

I run this ship girl im yo captain
Whats yo wildest fantasy
Girl we gon make it happen
Your love is off the chain I cant explain
It started out as a

Chorus:

Babygirl this is a one night stand
I wanna leave this club
How you feeling bae?
One night stand
We should go somewhere where we can kick it bae
One night stand
We can take the elevator up to my room
One night stand
But girl its on you, girl its on you , girl its on you

2nd Verse:

Lets get out this club to making love
You fell In Love
And girl I love
The way you love me girl
It started out as a One night standdd
It started out as a one night stand
Lets get out this club to making love
You fell In Love
And girl I love
The way you love me girl
It started out as a
One night standdd
It started out as a one night stand

Chorus:

One night stand
I wanna leave this club
How you feeling bae?
One night stand
We should go somewhere where we can kick it bae
One night stand
We can take the elevator up to my room
One night stand
But girl its on you, girl its on you , girl its on you
