

# Disease

## Matchbox Twenty

Advisory - the following lyrics contain explicit language:

Feels like you made a mistake  
You made somebody's heart break  
But now I have to let you pay  
I have to let you go You left a stain  
On every one of my good days  
But I am stronger than you know  
I have to let you go No one's ever turned you over  
No one's tried  
To ever let you down  
Beautiful girl...bless your heart I got a disease  
Deep inside me  
Makes me feel uneasy baby  
I can't live without you, tell me  
What am I s'posed to do about it  
Keep your distance from me  
Don't pay no attention to me  
I got a disease Feels like you're making a mess  
You're hell on wheels in a black dress  
You drove me to the fire  
And left me there to burn Every little thing you do is tragic  
All my life before was magic  
Beautiful girl...I can't breathe I got a disease  
Deep inside me  
Makes me  
Feel uneasy  
I can't live without you, tell me  
What am I s'posed to do about it  
Keep your distance from me  
Don't pay no attention to me  
I got a disease Well I think that I'm sick  
But leave me be  
While my world is coming down on me

You taste like honey, honey  
Tell me can I be your honey  
Be, be strong  
Keep telling myself  
That it won't take long 'till  
I'm free of my disease Yeah I'm free of my disease  
Free of my disease  
Ohhhhhhhhh Well I got a disease  
Deep inside me  
Makes me feel uneasy  
I can't live without you, tell me  
What am I s'posed to do about it  
Keep your distance from me  
Don't pay no attention to me  
I got a disease Ah well I think that I'm sick  
But leave me be  
While my world is coming down on me  
You taste like honey, honey  
Tell me can I be your honey  
Be, be strong  
Keep telling myself  
That it won't take long 'til  
I'm free of my disease Yeah I'm free of my disease  
Set me free of my disease  
Oh yeah yeah
