

Lock Me Up

The Cab

Time to listen to my confession
I'm much less than I wanted to be, wanted to be
You shine a light on my dark side
But you don't care what you see Overjoyed, over you
Overnight, that's what you do Why don't you lock me up with joy and kisses?
Lock me up with love?
Chain me to your heart's desire
I don't want you to stop
Lock me in and hold this moment, never get enough
Ain't no way I'm ever breaking free
Lock me up
Lock me up Criticize
You don't analyze me
Because you can see what I'm trying to be, trying to be
I've been lost and I've been blinded by all the things that I've seen Overjoyed, over you
Overnight, girl that's what you do So why don't you lock me up with joy and kisses?
Lock me up with love?
Chain me to your heart's desire
I don't want you to stop
Lock me in and hold this moment, never get enough
Ain't no way I'm ever breaking free
Lock me up
Lock me up Overjoyed, over you
Overnight, girl that's what you do So why don't you lock me up with joy and kisses?
Lock me up with love?
Chain me to your heart's desire
I don't want you to stop
Lock me in and hold this moment, never get enough
Ain't no way I'm ever breaking free
Lock me up Oohh
Lock me up
Oohh
Lock me up
Oohh
Lock me up
Lock me up Ohh
Lock me up
Ohh
Lock me up

Lock me up Overjoyed, over you
Overnight, girl that's what you do So why don't you lock me up with joy and kisses?
Lock me up with love?
Chain me to your heart's desire
I don't want you to stop
Lock me in and hold this moment, never get enough
Ain't no way I'm ever breaking free
Lock me up Oohh
Lock me up
Oohh
Lock me up
Lock me up Oohh
Lock me up
Oohh
Lock me up
Lock me up
