

Little Kids Love Christmas

Shelley Duvall

Little kids love Christmas
yes little kids love Christmas
The most wonderful day of the year
Little kids love Christmas-'cause they know that this is
The day Santa Claus will be here.
They don't mind the weather
the family's together
Everyone that they love is so near
Little kids love Christmas-'cause
they know that this is
The most fantastical, wonderful, magical
Very best day of the year

Outside it's snowing-the fire is glowing
Roasting marshmallows in the night
Outside it's stormin'-but inside it's
warm and
The Christmas tree's shining so bright
We ripped off the wrappers from all of the presents
The room is a total mess
But no one is carin'-it's Christmas we're
sharing
The holiday that is the best.

Little kids love Christmas
Yes little kids love Christmas
The most wonderful day of the year
Little kids love Christmas-'cause
they know that this is
The day Santa Claus will be here.
They don't mind the weather
The family's together
Everyone that they love is so near
Little kids love Christmas-'cause
They know that this is
The most fantastical, wonderful, magical
Very best day of the year.

I got a sled and it's colored red

And I got a three wheeler bike
Got a boy and girl dolly-Samantha and
Charlie
And both of them look alike
Got a cage and a bunny-and I've named her Honey
She is part white and part black

She's got yellow eyes-and a look of surprise
And a sweet bunny tail in the back.

Little kids love Christmas
Yes little kids love Christmas
The most wonderful day of the year
Little kids love Christmas-'cause
they know that this is
The day Santa Claus will be here
They don't mind the weather
The family's together
Everyone that they love is so near
Little kids love Christmas-'cause
they know that this is
The most fantastical, wonderful, magical
Very best day of the year!
