

# Fancy Footwork

## Chromeo

Two step, two step, two step  
Two step, two step, two step Bright lights keep you straight  
Feels like looking in a magazine  
You, her, on the floor  
Feels like dancing is the way to go But if you let her see that fancy footwork  
Show her that youre not that shy  
Let her see that fancy footwork  
Show her youre that type of guy Two step, two step, two step  
Two step, two step, two step Young boy, dont be late  
This girl aint really got time to wait  
You think its all for show  
But this is just the only way I know But if you let her see that fancy footwork  
Show her that youre not that shy  
Let her see that fancy footwork  
Show her youre that type of guy Two step, two step, two step  
Two step, two step, two step If you ever need a guy  
A partner for the week  
You point in my direction  
Then just come and follow me Well meet up on the floor  
And maybe do the Twerk  
So show me what you got  
In terms of fancy footwork Fancy footwork, fancy footwork  
Fancy footwork, fancy footwork  
Fancy footwork, fancy footwork  
Fancy footwork Two step, two step, two step  
Two step, two step, two step
