

# Hands On You

Ashley Monroe

I wish I would've laid my hands on  
Shown you a thing or two  
I wish I would've pushed you against the wall  
Lock the door and bathroom stall, windows and the screen I wish you would've laid your hands on me  
That kind gon' bring me to my knees  
I wish I would've let you lay me down  
Cause I wouldn't be here wishing now  
I wish I would've laid my hands on you I wish I was still half drunk  
Still tangled up  
Still making love  
But instead I'm alone in bed with you in my head  
Can't get you out of my head  
Mmm, mmm  
My only regret  
I wish I would've laid my hands on you  
Got you high in a motel room  
Little secret for my soul  
No one sees and no one knows  
Forbidden company  
I wish you would've laid your hands on me  
And never let me go  
Drawing pictures on my skin  
Places no one's ever been  
I wish I would've laid my hands on you I wish I was still half drunk  
Still tangled up  
Still making love  
But instead I'm alone in bed with you in my head  
Can't get you out of my head  
Mmm, mmm  
My only regret  
I wish I would've laid my hands on  
Shown you a thing or two  
I wish I would've pushed you against the wall  
Lock the door and bathroom stall, windows and the screen  
I wish you would've laid your hands on me  
That kind gon' bring me to my knees  
I wish I would've let you lay me down  
'Cause I wouldn't be here wishing now  
I wish I would've laid my hands on you
