

# Blue Beretta

## Princess Superstar

I was drivin downtown in my blue Beretta  
Wonderin' why people use Velveeta steada cheddar  
Reach down to flip the tape yeah I musta ran a redda  
The cop pulled me over and he said...  
"Hey aren't you Concetta?!!"  
Like Davy I'm a believer  
Like stolen goods I'm a comin to seize ya  
I don't want you to get the wrong idea  
But I got more fingers than Jerry Garcia...  
See ya!

I got more answers to your questions than Alex Trebec  
And if I was a sandwich I'd be triple deck

It's the high-tech section of your audio selection  
Put down the white-out chump I don't need no correction  
Takin MC's out like Barclay vs. Barney  
Go to Mount Airy Lodge where my host is named Marney  
MC's try to dis but they can't touch these solos  
If you wanna come correct, be like Mike D. go to the movies,  
Eat some Rolos  
I never take intermissions  
I got more rhymes than John's got Peel sessions  
I'm peanut butter and my man is Fluff  
Wrap the Wonder Bread around us  
We never get enough  
Yo peace to....etc.
