

Whereabouts

Ngajuana

Where is the missing one?

The missing one?

Where is the missing one?

The missing one?

There is a missing person that I've just got to find
Now just how long they have been gone, I can't say at this time

I glanced outside my window surprisingly to see
The reflection of a broken man who looked somewhat like me

I'm trying to find my whereabouts, what shall I do?

When nothing seems to follow through

In me, trying to find my whereabouts, I'm turning blue

But wait, I may have found a clue

My whereabouts are somewhere in yesterday with you

Where is the missing one?

The missing one?

I looked inside an album of happy photographs

To try to match the feeling in the joy I used to have

I traveled through the moments that held a special place

But everytime what came to mind is that smile upon your face

I'm trying to find my whereabouts, what shall I do?

When nothing seems to follow through

In me, trying to find my whereabouts, I'm turning blue

But wait, I may have found a clue

My whereabouts are somewhere in yesterday with you

Where is the missing one?

The missing one?

I'm trying to find my whereabouts, what shall I do?

When nothing seems to follow through

In me, trying to find my whereabouts, I'm turning blue

But wait, I may have found a clue

My whereabouts are somewhere in yesterday with you

I'm trying to find my whereabouts, what shall I do?

When nothing seems to follow through

In me, trying to find my whereabouts, I'm turning blue

But wait, I may have found a clue

My whereabouts are somewhere in yesterday with you

Where is the missing one?

The missing one?

Where is the missing one?
The missing one?
Where is the missing one?
The missing one?
Yeah, where is the missing one?
The missing one?
