

# There Is Something On Your Mind

**Buddy Guy**

I know there is something on your mind  
I can tell by the way you look at me  
I know there is something on your mind, baby  
By the way you look at me But I'm wondering if you're gonna  
Bring me happiness, darling  
Oh, if you're gonna bring me misery No, you don't have to tell me  
Because I think I understand  
No, no, you don't have to tell me nothing, darling  
Because I think I understand You want me to try and forget you  
Lord, I'll do the best I can No, you don't have to tell me  
Because I think I understand  
No, no, you don't have to tell me nothing, baby  
Because I think I understand You want me to try and forget you  
Lord, I'll do the best I can
