

Feelings (feat. Speed Gang)

Nucky Jmc

(LYRICS)

She got me in my feelings yeah
She got me in my feelings yeah yeah
She got me in my feelings yeah

I would ride with ya
Would you ride with me
I spend my time if you wanna spend your life with me
And I will slide through, long as you don't lie to me
We on the grind, no more working 9 to 5, baby yeah
You got me in my feelings baby
Think about you every night, I'm going crazy
You got me in my feelings baby
Running through my mind, I think about you daily
But you know that
She a perfect picture like Kodak
She my type a girl and I know that
Those other girls they can go back
No lackin' when it coming to you
When it comes to you
I'm so bad like I got the juice
I got the juice
Yeah yeah

Yeah she got me in my feelings yeah
She show me love, I really feel it yeah yeah
She got me in my feelings yeah
She took my heart, I really feel it yeah yeah

Cause baby you know
And baby I know
When we're together baby, we can make the time slow
Cause baby you know
And baby I know
When we're together baby, we can make the time slow
Time slow down
I wanna see you in these sheets
I wanna fuck you to this beat
Wanna feel you next to me, oh no

Let's go now
Never ever thought I'd be
Be singing about you B
Babygirl you make me sing, oh lord
Cause baby you know
And baby I know
That together baby , we can make the time slow
Baby, you know
Baby, I know
That together baby, we can make the time slow

Yeah she got me in my feelings yeah
She show me love, I really feel it yeah yeah
She got me in the feelings yeah
She took my heart, I really feel it yeah yeah

She got me in my feelings yeah
She got me in my feelings yeah, yeah
She got me in my feelings yeah
