Imma Star

Jeremih

I thought I told ya Imma a star
You see that ice
You see the cars
Flashy lights everywhere we are oh oh
Livin' life, there's no tomorrow
I thought I told you I'm a star
You see the ice?
You see the cars
Flashy lights everywhere we are oh oh
Livin' life, there's no tomorrowI got money I don't need a range
I'm a pimp I don't need a cane
Big deals charlie you can keep the change
Now that I got the torch Imma gonna keep the flame
Imma keep my aim gotta make the big shots
In my latest suit Louvie V flip flops
Got a bad bitch her hair 'n' nails tip top
Jeremih got the game on the slipknot
Just before the stacks I got rubber bands
Consumers only want you to supply demand
So here I am check my DNA
Gettin money is the only thing on my resumeI thought I told ya Imma a star
You see that ice
You see the cars
Flashy lights everywhere we are oh oh
Livin' life, there's no tomorrow
I thought I told you I'm a star
You see the ice?
You see the cars
Flashy lights everywhere we are oh oh
Livin' life, there's no tomorrowLike the dealership I got beaucoup cars
Penitentiary I keep beaucoup bars
Flow so hot ridin beaucoup large
Hollywood ground I got beaucoup stars
Don,t need Roger Ebert or the paparazzi
Take on and already the county stop me
I hit hella licks man hella stagin'
Hit the weed man so you get in touch with Mary Jane
You a Scorpio? Girl get over here
'N ride me all night life you kin to Paul Revere

Kissin' on my neck nibblin' on my ear
You say you wanna chill? Go head and have a beerI thought I told ya Imma a star
You see that ice
You see the cars
Flashy lights everywhere we are oh oh
Livin' life, there's no tomorrow
I thought I told you I'm a star
You see the ice?
You see the cars
Flashy lights everywhere we are oh oh
Livin' life, there's no tomorrowIf you back it up shawty
I'mma stack it up
If you back it up shawty

But only if you back it upEverywhere we are oh oh
Flashy lights
Everywhere we are oh oh
Flashy lights
Everywhere we are, everywhere we are oh ohOk, now I be ballin', I I be I be ballin'
You can catch me in the air I be wallin'
When I'm tryin to buy some gear I be mallin'
In the middle of the club with one dollar you call
Its either the cameras flickin' or the pole is clockin'
Especially at the end of the night when its just not an option
Now they got the spotlight on me why they put that on me
Now I'm never lonely 'cus everywhere I go there is, flashy lightsEverywhere we are oh oh
Flashy lights
Everywhere we are oh oh
Flashy lights
Everywhere we are, everywhere we are oh oh
