

# Biggest Part of Me

## Ambrosia

W-w-who be the best?  
W-w-who be the best?(Sunrise)  
There's a new sun arisin'  
(In your eyes)  
I can see a new horizon  
(Realize)  
That will keep me realizin'  
You're the biggest part of me(Stay the night)  
Need your lovin' here beside me  
(Shine the light)  
Need you close enough to guide me  
(All my life)  
I've been hopin' you would find me  
You're the biggest part of meMake a wish, baby  
(Wish and it will come true)  
Well and I will make it come true  
Make a list, baby  
(Make a list of the things for you)  
Of the things I'll do for youAin't no risk now  
Let my love rain down on you  
So we could wash away the past  
So that we may start anew(Rainbow)  
Risin' over my shoulder  
(Love flows)  
Gettin' better as we're older  
(All I know)  
All I want to do is hold her  
She's the life that breathes in me(Forever)  
Got a feelin' that forever  
(Together)  
We are gonna stay together  
(Forever)  
For me there's nothin' better  
You're biggest part of meMake a wish, baby  
(Wish and it will come true)  
Well and I will make it come true  
Make a list, baby  
(Make a list of the things for you)  
Of the things I'll do for youAin't no risk now

Let my love rain down on you  
So we could wash away the past  
So that we may start anew(Wish and it will come true)  
(Make a list of the things for you)  
Ain't no risk, now  
Let my love rain down on you  
So we could wash away the past  
So that we may start anew(Beside me)  
Need your lovin' here beside me  
(To guide me)  
Keep it close enough to guide me  
(Inside of me)  
From the fears that are inside of me  
You're the biggest part of me(Forever)  
Got a feelin' that forever  
(Together)  
We are gonna stay together  
(Forever)  
From now until forever  
You're the biggest part of meW-w-who be the best?Make a wish, baby  
(Wish and it will come true)  
Well and I will make it come true  
Make a list, baby  
(Make a list of the things for you)  
Of the things I'll do for youAin't no risk now  
Let my love rain down on you  
So we could wash away the past  
So that we may start anewW-w-who be the best?  
W-w-who be the best?Wish, baby, wish, baby, wish, baby
