Four to the Floor

Starsailor

With hand on heart, you right from the start
You taught me to take my part
No cross to bear, no reason to care
My life was all up in air
Four to the floor, I was sure
Never seeing clear
I could have it all

Whenever you are nearThe iron hand did not understand The plight of the common manFour to the floor, I was sure

Never seeing clear I could have it all

Whenever you are nearFour to the floor, I was sure
That she would be my girl
We'd rent a little world

We'd have a little girlFour to the floor, I was sure Never seeing clear

I could have it all

Whenever you are nearFour to the floor, I was sure
That she would be my girl
We'd rent a little world
We'd have a little girlFour to the floor, I was sure
Never seeing clear
I could have it all
Whenever you are near.
