Crazy Beautiful (Papercha$er Remix)

Skylar Stecker

Ain't what they want
Ain't what they used to
It's all we got (all we got,all we got, all we got)
We take our aim
We blowing the fuse
Making a change (make a change,make a change)All my ladies, all my girls
Dominating, round the world
You're the diamond,you're the pearl
And you better know itCrazy beautiful
So unusual
It's bout time you show your freedom, your freedom, your freedom
Got that tap to soul, got that can't be sold
It's bout time you own your freedom, your freedom, your freedomAll my ladies, all my girls
Dominating, round the world
Your the diamond, your the pearl
And you better know itCrazy beautiful
So unusual
It's bout time you show your freedom, your freedom, your freedomWe making noise
Shining the silence
They hear us, bow down, they hear us
No other choice
Can't tame to tired
Nobody can break it downAll my ladies, all my girls
Dominating, round the world
You're the diamond, you're the pearl
And you better know itCrazy beautiful
So unusual
It's bout time you show your freedom, your freedom, your freedom
Got that tap to soul, got that can't be sold
It's bout time you own your freedom, your freedom, your freedomAll my ladies, all my girls
Dominating, round the world
You're the diamond, you're the pearl
And you better know itCrazy Beautiful
So unusual
It's bout time you show your freedom,your freedom, your freedomYour freedom, your freedom, your freedom
It's time for us to say
Won't let em chase away
Our freedom, our freedom, our freedomCrazy beautiful
So unusual

It's bout time you show, you're freedom, you're freedom, you're freedom
Got that tap to soul, got that can't be sold
It's bout time you own you're freedom, you're freedom, you're freedomAll my ladies, all my girls
Dominating, round the world
You're the diamond, you're the pearl
And you better know itCrazy beautiful
So unusual
It's bout time you show your freedom, your freedom, your freedom
