# Glorious

## Andreas Johnson

Here she comes with the master plan
And I'm starting to lose control
Here she comes to this trash of man
And I'm ready to taste it all whenShe's bringing me in, checking me out
Making me gloriousHere she comes like a brand new day
Belly dancing across the room
In the moonlight, I watch her sway
To her rhythm, I'll go as groom with grace tonightShe's bringing me in, checking me out
Making me gloriousWell, here she comesNow she's bringing me in, checking me out
Making me gloriousShe's bringing me in, turning me on
Making me glorious
