

# Through Waiting

## Greeley Estates

I can't be the one to show you the way all the time  
I'm left all alone to wander this place asking why I'm falling back to you after all that we've been through  
I can't let go I'm through letting you walk over me all the time  
I've heard this before you can't keep this up, make up your mind I'm falling back to you after all that we've  
been through  
I can't let go Tonight's the last night I'll wait for you
