Falling Awake

Tarja

Phantom voices with no words to follow
At the mercy of the cold and hollow
I withdrew into my sanctuary of silence
My defenseIn this moment I am just becoming
Liberated from my cell of nothing
No sensation there was only breathing
Overcome oblivionFalling Awake
From a walking sleep
And all that remains
Is the dying memory
And now I can dive for
These dreams I make
Like I am Falling
I am falling awakeWaves of melodies once forgotten
Like a symphony across the ocean
Never knew that they could hear my calling
Deep within
Crashing in
Rushing in
Like fallingFalling Awake
From a walking sleep
And all that remains
Is the dying memory
And now I can dive for
These dreams I make
Like I am Falling
I am falling awakeThere is no returning to that emptiness,
Loneliness
The dream that lives inside of me
Won't fade away, it's wide awakeFalling Awake
From a walking sleep
And all that remains
Is the dying memory
And now I can dive for
These dreams I make
Like I am Falling
I am falling awake
