

# Evening of Love

## Vaya Con Dios

How could she let a man like you  
Slip through her fingers?  
I guess she didn't know  
A good man is hard to find  
I would have cherished and treasured that love  
If I had been her  
I would have thanked the Lord  
Every morning for making you mine  
Baby, why don't you spend  
An evening of love with me?  
A moment of tenderness  
Ain't it just what we both need  
Let's make it  
An evening of love to remember  
An evening away from the past  
Oh, baby  
Maybe tomorrow you'll wake up to find  
You don't need her  
Maybe you'll realize  
You never did  
I'm gonna hold you real close to my heart  
Say the words that will heal you  
I'm gonna show you babe,  
Show you how good it can feel
