

Bumblebeee (Live @ Jools Holland)

Kasabian

Gettin' a message? A message for me
I'm caught up in love, and I'm in ecstasy
What can I do now, when nothing's the same?
And all that I know, I wanna do it again
Life is so simple when you are with me
'Cause when we're together, I'm in ecstasy
I'm in ecstasy
I'm in ecstasy
I'm in ecstasyEverybody go!
All you pretty things, get on board this mothership
All you've got to be is ready for action, babyDon't think I'm twisted, as a matter of fact
Welcome me now to the second act
I fought off robots, and a man in a suit
Wear off the soles of your monkey boots
I can't get enough of the sunshine
I can't get enough of the moonlight
And all the colours that are coming on strong
Trying to hold on
Trying to move on
Can't get enough of the oceans
Can't get enough of the mantra
All we will ever be is ecstasy
We're in ecstasy
We're in ecstasy
We're in ecstasyEverybody go!
All you pretty things, get on board this mothership
All you've got to be is ready for action, babyI can't get enough of the sunshine
I can't get enough of the moonlight
And all the colours that are coming on strong
Trying to hold on
Trying to move on
Can't get enough of the oceans
Can't get enough of the mantra
All we will ever be is ecstasy
We're in ecstasy
We're in ecstasy
We're in ecstasyEverybody go!
All you pretty things, get on board this mothership
All you've got to be is ready for action, baby

Ready for action, baby
Ready for action, baby
