Stars (R&B Mixtape Edit)

Roses Gabor

Chorus:
You only, oh only, my only
You are the only
You only, oh only, my only,
you are the only
Oh only, oh onlyGone in the night .the time flowing by
Gimmie the space, talk with the star for a while
Show me your face, we can connect if you like
Cut to chase, bring on the boat alive
Chorus:
You only, oh only, my only
You are the only
You only, oh only, my only,
you are the only
You only, oh only, my only
You are the only
You only, oh only, my only,
you are the onlyEyes of the glazed, mixed in my brain makes it hard
Bellow the the sun, you say I'm summer sky
Pulling my hair, biting the skin from the lips
Who is to say if this is what it is?
Chorus:
You only, oh only, my only
You are the only
You only, oh only, my only,
you are the only
You only, oh only, my only
You are the only
You only, oh only, my only,
you are the only
